From the K280 SCIENCE LAB – ROOM 178

Welcome to Pre-K280's Science Program. Your child will be participating in Science Inquiry and Problem Solving classes this year in our Science Lab in Room 178. There will be other supplies needed throughout the year but the following supplies should be sent in on the first full day of school in a separate bag marked "For Science Class" so they will not be confused with supplies for their own classrooms:

-A standard marbled composition book with stiff cardboard covers and 100-200 sheets. Other decorative designs are fine, but please be sure it has stiff cardboard covers as we will often journey outdoors and will lean on laps when writing. Please label this using permanent marker with your child's name, class number, and the word "SCIENCE." This will be your child's Science Observation Journal.

-Each student in classes numbered from 124 to 230, please send 1 box of 8 or 10 Crayola brand Ultra Clean Washable Markers with broad tips. Classes numbered from 271 to 280 please send Crayola brand Ultra Clean Washable Markers with fine tips.

-2 empty toilet paper tubes and 1 empty paper towel tube

A "lab coat" which can be a child's purchased Lab Coat similar to one available at SchoolSpecialty.com for \$14.99 with a picture of a science beaker on it and the words Primary Science. This one comes with a pair of goggles as well. There is a discount code of SUMMERSALE18 FOR 10% OFF. Or, it can simply be an oversized white shirt from an older sibling or parent, or even an oversized white T-shirt. Please use permanent marker to mark your child's name and class number on the inside label. This will be kept in your child's regular classroom and brought to Science at their regularly scheduled time for Science. It will be sent home for laundering between uses.

We will be in touch as other supplies are needed.

Thank you,

Ms. Kris and Ms. Terry

IMPORTANT: PLEASE SIGN THIS PAPER AND RETURN TO SCIENCE MARKED WITH YOUR CHILD'S NAME, CLASS, AND ANY FOOD, ODOR, OR OTHER ALLERGIES. If more space is needed, please use back of this form,

CHILD'S NAME: _____ CLASS# _____

ALLERGIES: _____

PARENT'S SIGNATURE: _____
